FUNCTIONS OF FLEASWTRACEN SAN DIEGO

1. Carry out all regulations, instructions, and directives from higher authority pertaining to the administration of FLEASWTRACEN San Diego and issue such detailed internal instructions, regulations, orders, and notices as are required for the efficient organization and administration of the Command in support of the mission assigned.
2. Provide technical and professional development training, as assigned by CNET, in, but not limited to, anti-submarine warfare tactics, operation and tactical use of Sonar and designated allied equipment, preventive and corrective maintenance of equipment, Class "A" and "C" type training for Sonar Technicians, Tactical Oceanography, and pre-sail exercise training for fleet units, to the Marine Corps, U.S. Army, U.S. Air Force, U.S. Coast Guard, international students under the Military Assistance Program and Foreign Military Sales, and selected civilian personnel of the Department of Defense (DOD) and non-DOD activities.
3. Ensure that the training of all personnel enrolled in the schools and courses established by CNET at this command is in consonance with the Instructional Systems Development as explained in publications from higher authority.
4. Ensure successful and uniform accomplishment of training in accordance with prescribed course material on a standardized basis and ensure high standards of qualification in the individual instructor and student. In furtherance of these objectives, carry out on a continuing basis an evaluation of instruction and the complete learning situation; ensure that applicable portions of PQS are accomplished in the course of instruction.
5. Provide technical advice and recommendations to CNET in matters concerning training under their cognizance and effect liaison in direct support of specific projects directed by CNET.
6. Serve as CNET's Local Training Authority (LTA) for San Diego area.
7. Perform functions of Curriculum Control Authority (CCA) and selected functions of Training Program Coordinator (TPC). The role of CCA is to approve instructional methods/materials and maintain assigned courses. The role of the TPC is to coordinate

with higher level commands to ensure new training concepts are incorporated into classrooms, laboratories, training equipment/devices, instructor development programs and curriculum.

8. In support of Navy policy emphasizing the importance of military and motivational training and in recognition of the effect such training has on retention, upgrading professionalism, and improving the perception of the Navy, ensure that the military and motivational aspects of training are given strong emphasis equal to the emphasis afforded the technical areas.

9. Coordinate and effect actions necessary for the development of training center plant facilities required to support the assigned mission.

10. Exercise effective control over the financial operations within the command through sound accounting principles and progressive modernization of programming, budgeting, accounting progress, and statistical reporting and auditing practices under the Resources Management System of the Department of the Navy.

11. Exercise control over numerous management programs and functional areas inherent in a naval shore activity which should include but not limited to, retention, 3-M, occupational safety and health, traffic and recreational safety, internal review, equal employment opportunity, command managed equal opportunity, and other similar management programs.

12. Maintain close liaison with the Local Area Coordinator or such other commander as may be designated in writing for emergency and disaster preparedness matters.

13. Keep CNET advised regarding the general progress and results of training being conducted in the command.

14. Perform other functions as directed by CNET.
